

BLACKPOOL SIXTH

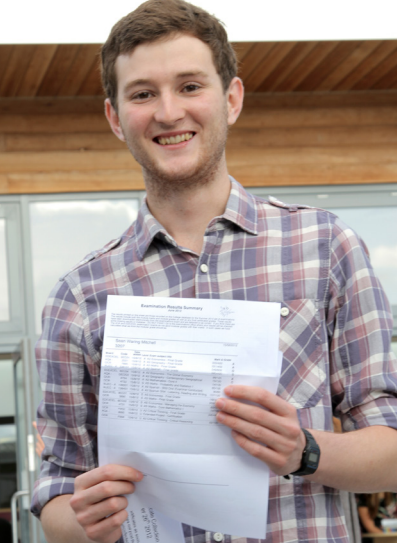

Creating Bright Futures

# Where are they now?

Successful Blackpool Sixth students from Millfield Science & Performing Arts College

**Sean Waring-Mitchell**

gained an A\*, two As and a C at A level and an A in his Extended Project Qualification in 2012.

Sean is currently studying Geography at the University of Durham.

He commented, "It's great to finally see the results of hard work and dedication from myself and the staff who have taught me."

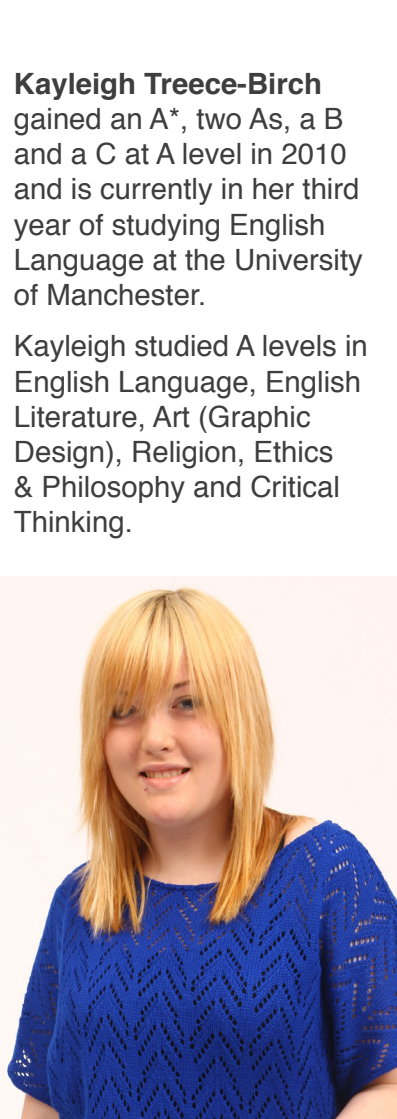

In 2011, **Amy Dutton** achieved A\*s in A level English Language, English Literature and Classical Civilisation and a C in Critical Thinking. Amy is currently in her second year of studying English at the University of Oxford.

Amy commented, "I really enjoyed Classical Civilisations as the best way to understand our modern world is to examine the ancient foundations it has been built upon."

In 2012, **Fahem Chowdhury** progressed to study Actuarial Science at the University of Manchester after achieving an A\*, an A and two Bs at A level.

Fahem studied Economics, Chemistry, Mathematics and Further Mathematics.

**Kayleigh Treece-Birch** gained an A\*, two As, a B and a C at A level in 2010 and is currently in her third year of studying English Language at the University of Manchester.

Kayleigh studied A levels in English Language, English Literature, Art (Graphic Design), Religion, Ethics & Philosophy and Critical Thinking.

**Michael Bittley** gained a distinction star and a double distinction in BTEC Performing Arts in 2012.

Michael is currently in his first year of studying Musical Theatre at Blackpool and the Fylde College.

Michael played lead roles in Sixth Form musical productions of 'Cabaret' and 'Return to the Forbidden Planet'.

In 2011, **Lewis Donaghy** gained an A in A level Spanish and progressed to the University of Salford to study Modern Languages (French and Spanish).

Lewis commented, "I like having the ability to study another language because it opens a lot of doors with university and makes you much more employable"

**Chris Lund** (below) left Blackpool Sixth in 2006.

He currently works as a Diagnostic Radiographer at Blackpool Victoria Hospital.

Chris, studied Radiography at Lancaster University.

**Jamie Beecher** currently studies Sports Management and Rugby Studies at Buckinghamshire New University.

Jamie studied A levels in Biology, Electronics, PE and Economics before leaving in 2011 and was a member of the Blackpool Sixth Rugby Academy.

In 2010, **Romy Ni Chleirigh** achieved an A\*, three A grades and a B at A level to confirm her place to study Medicine at the University of Birmingham.

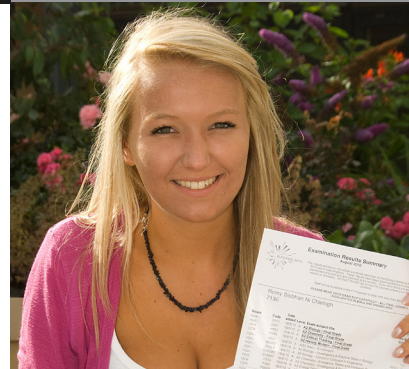

In 2011, her sister **Etty** gained an A\*, 2 As and a C at A level and studies Psychology at the University of Sheffield.

Upper Sixth student, **Jamela Khanum**, studies BTEC Level 3 Health & Social Care, Sociology and English Literature.

Jamela comments, "I like the friendly environment. All the staff are really helpful and supportive."

In 2011, **Matt Charlton** achieved an A in A level Drama & Theatre Studies and a B in A level Business Studies. He currently studies Business Management at The Manchester Metropolitan University.

**Thank you to Millfield Science & Performing Arts College for securing such strong foundations!**
